## HISTORY OF COMPANY

**1967**

HAS STARTED WORKING IN THE METAL INDUSTRY

Metal Group LLC 1967 specialized company for the production of steel construction which operates in two locations where its headquarters is in Gjilan, Republic of Kosovo.

The production capacity on a year basis will be 4000MT year on an annual basis thanks to the most modern machinery in the metal industry.

All the processing (steel construction) is for European market for several years now and continues to respond to your requests in the most professional way.

**02**  
MISSION

Providing **high quality** products and creating a **successful** relationship with our customers and supplier.

To constantly strive to meet or exceed the requirements of our customers.

Innovate for new products and services based on the needs of our customers.

# 04

## OBJECTIVES

OUR PHILOSOPHY UNITES OUR ACTIONS TOWARDS OUR CUSTOMERS,  
OUR EMPLOYEES AND OUR **EXTERNAL PARTNERS.**

All our actions are focused on:

Quality

Health

Safety

Environment equal opportunities and sustainable development of the company

By having these focuses only then we give our customers security and trust

# 05

## METAL IS OUR LANGUAGE

Paying particular attention to innovative technical solutions in accordance with the real needs of our customers and acting as professionals, management encourages continuous improvement relying on the participation and experience of employees and partners in accordance with standards and norms.

Since safety is a key element that guarantees the sustainability of our activity and the health of our employees, we consider the physical and mental integrity of each individual as a priority.

A blurred background image showing a construction site with a large metal structure, possibly a bridge or industrial building, under construction. In the foreground, there's a red triangular traffic cone and some metal beams.

**Metal Group** manages in a transparent way and by putting people in priority

**Metal Group** has built a professional environment

Our company is motivated by love for the profession and work.

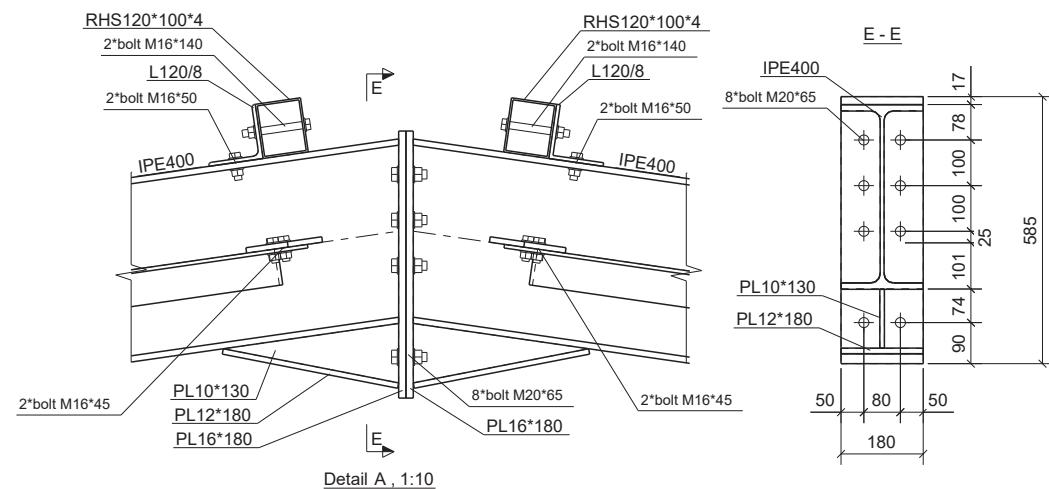

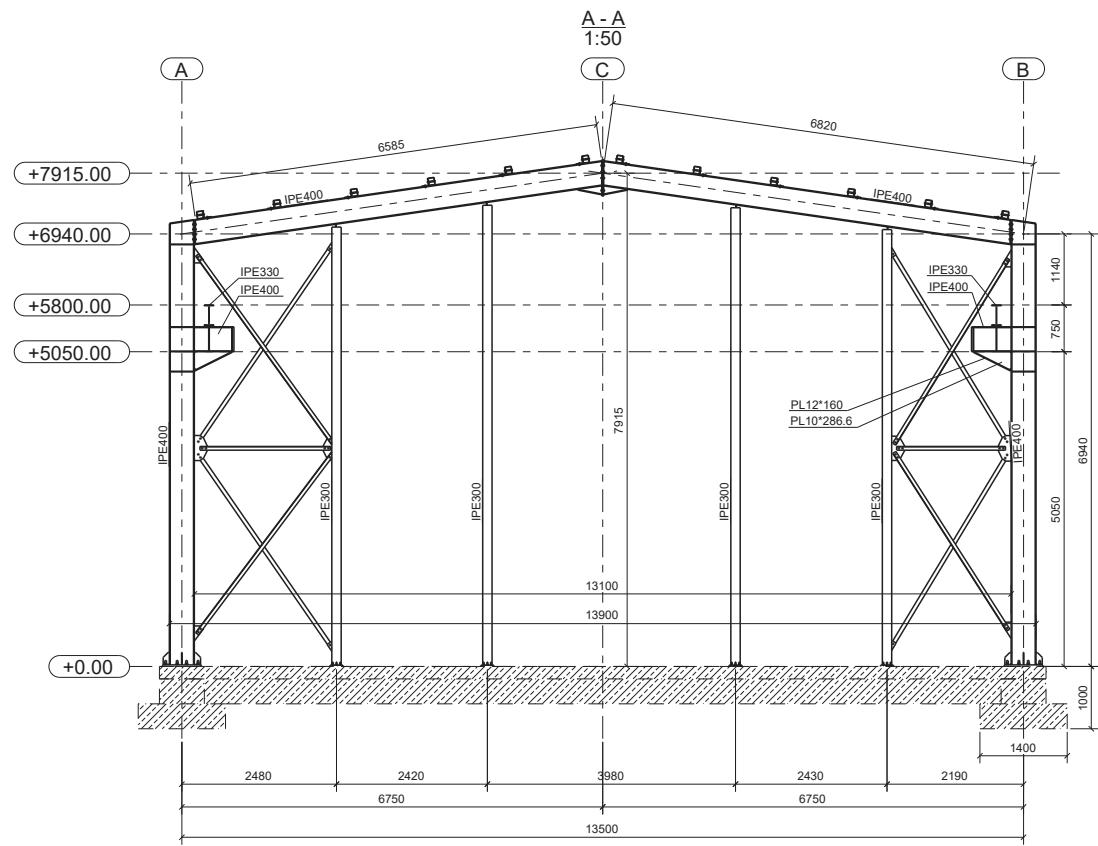

# 07

## INOVATIVE SOLUTIONS

A group of engineers perform static calculations, **3D modeling** with **Tekla and Advance Steel** software as well as making drawings for production and installation.

They design and optimize all types of construction, combining technical expertise and mastery of architectural finishing requirements.

# OR

WORK ENVIRONMENT

In more than **10,000 m<sup>2</sup>** and  
in a technical environment and  
workers and their assistants  
work in separate workshops for  
the treatment of **steel construction**

## **DEDICATED TEAM**

A team dedicated to surface treatment works in a special workshop, equipped with machinery for the treatment of **steel structures** and the **painting process** is also. Also has a logistics department, where this department is important for carrying out the fast and safe process of packaging materials for export and quick information to customers, as well as carrying out imports.

**Metal Group 1967 LLC** since the distant years has always invested in the most modern machinery and today it operates with the latest generation machinery regarding the steel industry.

Now we count the machines as welding robot, laser for cutting plates, laser for cutting profiles, sandblasting machine as well as machines for cutting and drilling 3-axis profiles.

## CERTIFICATION

Quality management certified according to **ISO 9001**

Welding quality management according to **DIN EN ISO 3834-2**

Proof of conformity according to **EN 1090-1, EN 1090-2 EXC 3**

# CERTIFICATE

No. 3830063

In compliance with the requirements for accredited certification bodies according to EN ISO / IEC 17065:2012, this certificate applies to the product, process or service:

**Quality of welding processes in the factory production of structural steel components and all types of steel structures for loadbearing structures and buildings**

Related product standard: EN 1090+A1

Welding processes and methods related to: 135

Group(s) of basic materials (ISO/TR 15608): 1.1, 1.2

Welding supervision (classification acc. chap. 6.2 / ISO 14731):

EN or ISO standards: EN ISO 5817, EN ISO 15614, EN ISO 9712, EN ISO 14341, EN ISO 14731

Identification ISO 4063 & CEN ISO/TR 15608: (135) 1.1, 1.2

produced by or for

Metal Group 1967 L.L.C

Rr.Presheves,pn Velekince Gjilan, 3001 Velekinc,Gjilan, Kosovo

and produced in the manufacturing plant(s)

Metal Group 1967 L.L.C

Rr.Presheves,pn Velekince Gjilan, 3001 Velekinc,Gjilan, Kosovo

This certificate attests that all provisions described in relevant parts of the standard

**ISO 38342:2021**

according the system for the performances set out in the certificate are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

**The factory production control fulfills all the prescribed requirements set out above.**

The certificate has been issued on 18 March 2025 and is valid until 17 March 2028 upon the condition of successful completion of the annual surveillance audit and when the manufacturing process of the product, the testing methods and/or requirements of the standard used for evaluation will not be changed significantly. The initial certification date of issue is 18 March 2025.

Prague, 18 March 2025

validity code: CB44D6D2095

# CERTIFICATE

of conformity of the factory production control  
No. 2435CPR3830062

In compliance with Regulation (EU) No 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) this certificate applies to the construction product:

**Workshop production of steel structural components**

Execution class: EXC3

CE marking methods: Method 1, 3a

Area and extent of use: Statically and dynamically loaded steel structure

Welding processes: Written down in the report 3830062

Groups of basic materials: Written down in the report 3830062

Authorized employees of supervision: Written down in the report 3830062

produced by or for

Metal Group 1967 L.L.C

Rr.Presheves,pn Velekince Gjilan, 3001 Velekinc,Gjilan, Kosovo

and produced in the manufacturing plant(s)

Metal Group 1967 L.L.C

Rr.Presheves,pn Velekince Gjilan, 3001 Velekinc,Gjilan, Kosovo

3

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

**EN 1090:2009+A1:2011**

under the system 2+ for the performances set out in the certificate are applied and that

**the factory production control fulfills all the prescribed requirements set out above**

This certificate was issued on 18 March 2025 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the factory production control certification body. The validity of the certificate is subject to regular surveillance audits confirming compliance with the FPC requirements. The initial certification date of issue is 18 March 2025.
